Re: No Child Left Behind (NCLB) Act, Section 1111(h)(6)(A)

Dear Parent/Guardian:

As a parent/guardian of a student attending a school receiving Title I funds you have the right to know about the teaching qualifications of your child's classroom teacher.

These qualifications include:

1. Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child instruction.
2. Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements.
3. The undergraduate degree major of the teacher and any other graduate degree or certification (such as National Board Certification) held by the teacher and the field of discipline of certification or degree.
4. Whether your child is provided services by instructional paraprofessionals and, if so, their qualifications.

Below you will see that your child's teacher has met the qualifications listed above.

Teacher Name	Qualifications	Response
	Has this teacher met the Ohio Teacher Licensing Criteria for the grade level and subject areas in which he/she provides your child's instruction?	
	Is the teacher teaching under an emergency or temporary status that waive state licensing requirements?	
	What is the field of discipline of certification or licensure for this teacher?	

You may also access this information via the Ohio Department of Education website (<http://www.education.ohio.gov>) by :

- Selecting "teachers" on the red toolbar
- Under "resources", select "educator profile"
- Type in the teacher's first and last name, then click "search"
- Click on the "red arrow" to select the desired teacher and use the list on the left side of the page to obtain information regarding the teacher's credentials

Should you have any additional questions regarding the qualifications of your child's teacher please contact me.

Sincerely,

Jennifer L. Pelko
Assistant Superintendent
