## **Prearranged Absence Guidelines and Procedure**

### *Strongsville City Schools*

Due to the importance of students being present in the classroom to achieve the full understanding and sequence of materials being learned, unapproved student absence from school is strongly discouraged. Student/Parents must realize that in certain circumstances, learning experiences are irretrievable and cannot be repeated.

In Strongsville City Schools, when a parent/guardian feels it is necessary to initiate an absence from school for reasons such as athletic events, competitions, and/or family vacations, students may be excused up to five (5) days per school year. If more than five (5) days are needed, subsequent days may be considered unexcused with a loss of credit for work missed. The parent/guardian and student must follow this procedure to receive credit for work missed for five (5) days per school year:

1. Obtain and complete a *Prearranged Absence Request Form* from the school office (see other side).
2. Obtain teacher signatures and all assignments/materials that will be covered during this absence.
  - a. Examinations, lab work, and/or work not available prior to the absence, must be scheduled with the appropriate teacher at his/her convenience immediately upon return to school.
3. Return the completed form to the school office **prior** the first day of absence.
4. Turn in all completed assignments to the applicable teacher(s) on the first day returning from the prearranged absence.

Finally, parents/guardians and students should be aware teachers are not obligated to permit make-up work if proper absence arrangements have not been made prior to departure. Teachers are not expected to tutor students for work missed. Requests for *Prearranged Absence* shall become a permanent part of the student's record. If you have any questions regarding these procedures, please contact your building principal.
